

HOW OUR SCHOOL GOT ITS NAME

The school was named St. Joseph as a tribute to the Sisters of St. Joseph who have played a very important role in Catholic education in Yellowknife since the school district was first formed in 1951.

The Statue of St. Joseph (found in the garden area across from the office) was unveiled at a special ceremony on May 1, 1979, by Sr. Mary Eunice, Superior of the Community of Sisters of St. Joseph in Yellowknife.

In 1992 we changed our school name to École St. Joseph School to reflect the dual track nature of our school.
